getgold.ae

ONE FREE CHANNEL. YOUR PRODUCTS. YOUR PRICES.

Sell with flexibility.

Choose how customers pay, how orders are delivered and how each product is priced.

FREE
FOR VENDORS

Everything you need to start selling

01 Set your making charge

Add a different making charge for every product. Your store controls its own prices.

02 List products clearly

Show gold value, making charge, VAT when applicable and the final customer price.

03 Deliver or offer pickup

Use store delivery, a third-party courier, cash on delivery or free store collection.

04 Gain free visibility

Get a branded store page and a new marketing channel for products you already sell.

Let customers pay the way that works for your store

Vendor online payment link

Customer pays the store directly

Bank transfer

Customer uploads proof for approval

Cash on delivery

Collect payment when the order arrives

Pay at store pickup

Cash or card at your store

Start in four simple steps

1

Create account

2

Submit store details

3

Get verified

4

List and sell

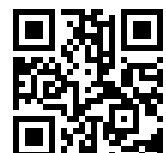

Ready to grow your reach?

Join Get Gold today and make your store easier to discover, compare and buy from.
