Account Growth · Expansion · Strategic Relationships · Revenue Retention — UAE & GCC

Dubai, UAE • +971 50 908 1312 • Mohamed.m.amer95@gmail.com • linkedin.com/in/mohamedamer95
Nationality: Egyptian • Visa Status: UAE Employment Visa (Work Permit) • Languages: Arabic (Native), English (Fluent)

PROFESSIONAL SUMMARY

Senior Key Account Manager with 5+ years in B2B SaaS and ERP across the UAE and GCC, currently owning a 160+ account portfolio at Odoo and exceeding commercial targets — reaching 178% of target in Q1. Progressed across the full commercial cycle (SDR → BDR → Account Manager → Senior CSM), building a track record in growing account value through upselling, cross-selling, and strategic relationship management. Combines a sales-trained commercial instinct with consultative account leadership to expand revenue and turn clients into long-term partners. Arabic-English bilingual with strong regional fluency across Gulf markets.

PROFESSIONAL EXPERIENCE

Senior Customer Success Manager (Key Account Management)

Odoo Middle East — Dubai, UAE | 2024 – Present | ERP & Business Software (SaaS)

- Manage a strategic portfolio of **160+ key accounts** across the UAE and GCC, exceeding commercial targets — **reaching 178% of target in Q1** — while sustaining performance through organizational restructuring.
- Lead renewal and upselling conversations across the account base, aligning the Odoo roadmap with each client's growth objectives to maximize account value.
- Grow revenue and expand market reach by converting satisfied clients into active referral advocates, generating new-business pipeline from the existing account base.
- Own executive and cross-functional stakeholder relationships for high-value clients, driving expansion of complex ERP implementations across multiple industries.
- Partner with consulting and development teams to deliver measurable implementations that protect renewals and support account growth.

Business Development Representative & Account Manager

Subsbase | 2023 – 2024 | B2B SaaS

- Identified and developed new business opportunities, building pipeline across target segments to expand the client base.
- Presented tailored value propositions and built long-term client relationships that supported account growth and retention.
- Ran full-cycle business development — lead generation, market analysis, and outreach — to grow the account portfolio.
- Conducted market and competitor research to sharpen go-to-market and account-growth positioning.

Senior Sales Development Representative

PlanRadar | 2021 – 2023 | Construction & Real Estate SaaS

- Managed the full pre-sales cycle — discovery, needs analysis, and tailored solution demos — to advance qualified opportunities toward close.
- Built and qualified a healthy sales pipeline by sourcing new business through targeted cold outreach to decision-makers across **9 industries**, including Construction and Retail.
- Customized product solutions to client needs, building the foundation for long-term account relationships, tracked via CRM.

EDUCATION

Bachelor's Degree, Agricultural Business & Management

Fayoum University, Egypt | 2013 – 2018
