

MOHAMED AMER

Senior Customer Success Manager — B2B SaaS / ERP

Retention · Renewals · Onboarding & Adoption · QBRs · Account Health — UAE & GCC

Dubai, UAE • +971 50 908 1312 • Mohamed.m.amer95@gmail.com • linkedin.com/in/mohamedamer95
Nationality: Egyptian • Visa Status: UAE Employment Visa (Work Permit) • Languages: Arabic (Native), English (Fluent)

PROFESSIONAL SUMMARY

Senior Customer Success Manager with 5+ years in B2B SaaS and ERP across the UAE and GCC. At Odoo, owns retention, renewals, and adoption for a 160+ key-account portfolio — reaching 178% of target in Q1 — through structured account health management and proactive client engagement. Background spans the full commercial cycle (SDR → BDR → Account Manager → Senior CSM), bringing a revenue-aware, consultative approach to customer success rather than a purely reactive support mindset. Arabic-English bilingual with strong regional fluency across Gulf markets.

CORE COMPETENCIES

- Customer Success:** Client Retention · Renewal Management · Customer Onboarding · ERP Adoption · Quarterly Business Reviews (QBRs) · Account Health Management · Upselling & Cross-selling · Stakeholder Management · Voice of Customer · Referral Generation
- Account & Commercial:** Key Account Management · Account Expansion · Revenue Growth · Full-cycle Business Development · Consultative Selling · Pipeline Management
- CRM Platforms:** Salesforce · HubSpot · Zoho
- Prospecting & Outreach Tools:** Apollo · Cognism · Lusha · LinkedIn Sales Navigator · Outreach · Salesloft · Hunter.io · ZoomInfo
- Core Systems:** Odoo ERP
- Leadership & Interpersonal:** Leadership · Effective Communication · Critical Thinking · Cross-functional Collaboration

PROFESSIONAL EXPERIENCE

Senior Customer Success Manager

Odoo Middle East — Dubai, UAE | 2024 – Present | ERP & Business Software (SaaS)

- Own Key Account Management for **160+ clients** across the UAE and GCC, driving adoption, retention, and expansion of complex ERP implementations across multiple industries.
- Lead renewal and upselling conversations, aligning the Odoo roadmap with each client's growth objectives to maximize account lifetime value and protect recurring revenue.
- Partner cross-functionally with consulting and development teams to deliver smooth, measurable ERP implementations that accelerate time-to-value and reduce onboarding friction.
- Exceeded quarterly retention and growth targets — **reaching 178% of target in Q1** — while sustaining account health through organizational restructuring.
- Strengthen long-term client relationships by converting satisfied customers into active referral advocates, reinforcing account stickiness and expansion pipeline.

Business Development Representative & Account Manager

Subsbase | 2023 – 2024 | B2B SaaS

- Presented tailored value propositions and built long-term client relationships that supported account growth and retention.
- Ran full-cycle business development — from lead generation and market analysis through to qualified opportunities — to expand the client base.
- Identified and developed new business opportunities, building pipeline across target segments.
- Conducted market and competitor research to surface trends and sharpen go-to-market positioning.

Senior Sales Development Representative

PlanRadar | 2021 – 2023 | Construction & Real Estate SaaS

- Customized product solutions to client needs, improving satisfaction and laying the groundwork for long-term relationships, all tracked in CRM.
- Managed the full pre-sales cycle — discovery, needs analysis, and tailored solution demos — to advance qualified opportunities toward close.
- Built and qualified a healthy sales pipeline by sourcing new business through targeted cold outreach (calls and email) to decision-makers across **9 industries**, including Construction and Retail.

EDUCATION

Bachelor's Degree, Agricultural Business & Management

Fayoum University, Egypt | 2013 – 2018
